After June 10, no player signed for the following seasonal year shall be approached by any team or club official for recruiting purposes. All grievances regarding this rule shall be forwarded to the A&P Committee for investigation. (See Section E, Discipline Point System, for POACHING.)

K. Guest Players: Coaches wishing to use guest players in USYSA sanctioned, out-of-district tournaments shall follow the NMYSA Guest Player Policy prior to utilizing the player.

L. DCSL Coach Qualification: All DCSL team head coaches will register with the League Registrar and possess a current USSF Pass Card for each seasonal year. Assistant coaches that may act in behalf of a team head coach should also register with the League and obtain a USSF Pass Card.

Beginning September 1, 1996, all DCSL team head coaches must have obtained, as a minimum, the following level of USSF or USYSA-New Mexico (or equivalent), coach's license:

1. Teams U-10 and younger: USYSA-New Mexico State "F" coach license.
2. Teams U-11, U-12, and U-13: USYSA-New Mexico State "E" coach license.
3. Teams U-14 and older: USYSA-New Mexico State "D" coaching license. It is strongly recommended that head coaches in these age groups obtain a USSF National "C" or higher coach license.

Coaches of DCSL Developmental teams and coaches forming new teams are exempted from this qualification requirement for one seasonal year (e.g., Fall and Spring). Requests for waivers from this requirement should be submitted in writing to the DCSL Executive Board. It is recommended that Assistant Coaches that may act in behalf of a team head coach also obtain the minimum licensing levels listed above.

M. Replacement or Removal of a Team Head Coach: The replacement or removal of a Team Head Coach (for circumstances other than conduct and discipline) at any time during the Seasonal year shall be based upon the written recommendation by a DCSL Club official. The written recommendation should state the reason for the replacement or removal, and name of the individual to be designated as the new Team Head Coach. The recommendation will be reviewed by the DCSL Coach Administrator and forwarded to the DCSL President for final approval.

SECTION 3

GAME CONDUCT

A. Good Sportsmanship: Players, spectators, and coaches are expected to display good sportsmanship and proper conduct at all times while involved with League activities.

B. Minimum Number of Players: A team must field at least seven (7) players to begin a game. The League reserves the right to stipulate the number of players needed to begin "small-sided" games. U8 games cannot begin unless at least 5 players are fielded by each team, and U10 games cannot begin unless 6 players are fielded by each team.

C. Forfeiting Games: In case of a forfeit, the score shall stand 1-0 against the forfeiting team, and the forfeiting team will receive no game points. Any team forfeiting three (3) games in any seasonal year may be removed from the League by vote of the Board. Any team so removed shall forfeit any claim to the assets of the League, including all dues and fees paid. Should both teams fail to show for a scheduled game, each team will be assessed a loss and no game points will be awarded. Both teams will be liable for referee fees.

D. Games Not Played to Full Time: If, for any reason, a game is not played to full time, the following rules shall apply:

1. A game terminated at or before half time shall be declared void and shall be rescheduled if possible.
2. A game terminated in the second half shall be considered the same as a game played to full time. The score at the time of the stoppage shall be recognized as the official score.

E. Abandonment of the Field of Play: Any team that abandons the field of play without consent of the opposing coach during either half, or fails to return after half-time, forfeits the game 1-0.

F. Disciplinary Points System: The League Board shall maintain a disciplinary points system to be applied against offending players, coaches, and teams. The penalty points for offenses shall be set by the League Board. The points system will be administered by the Coach Administrator.

G. Disciplinary Actions:

1. Any player or coach who receives a red card from a referee will be reported to the League President and subject to disciplinary actions detailed in Table A. Suspensions of two games or less specified in Table A shall be automatic, however any suspension in excess of two games specified in Table A must be authorized by an A&P Committee, after a due process hearing is granted to the offending player and/or coach. The President shall provide reports of yellow and red cards to the Coach Administrator, who is responsible for maintaining records of discipline points.

2. A player ejected from a game must immediately remove him/herself from the field of play. A coach ejected from a game must immediately stand out of sight and hearing of the game, and may not exert any influence on the proceedings of the game.
3. Any suspension handed down by the League Board shall apply to scheduled League play or tournament games.
4. The League shall recognize suspensions or like rulings of USYSA affiliated soccer leagues or associations from which official notification has been received.
5. Two (2) games will be added to a suspension if:
 - a. An ejected player or coach fails to leave the field of play immediately.
 - b. A suspended coach continues to exert any influence on game proceedings, or
 - c. A suspended coach fails to remain out of hearing and visual distance of a game in which his/her team is playing.
6. Sanctions for actions which occur during the last game of the Fall or Spring Season shall take effect during the next scheduled League, Cup, or Tournament game in which the player or coach is otherwise eligible to participate. Should the suspended individual leave the jurisdiction of the League before the sanction can be imposed, the sanction shall be imposed if and when the individual returns to the jurisdiction of the League.
7. Any offense not specifically covered by these rules shall be handled at the discretion of the League Board.

The pass card shall be delivered to the League President, or his/her designee within 72 hours of the completion of the game. The League President, or his/her designee, shall hold the pass card(s) pending completion of the prescribed penalty.
9. All yellow or red card violations involving parents/spectators will be reviewed by the A&P Committee. At the discretion of the Executive Committee, parents/spectators may be required to serve game suspensions in the manner as coaches serve them.

H. Coaches' Responsibility for Players and Spectators: The coach of a duly registered team is responsible for the actions of his/her players, assistants, and spectators on his/her sideline. The coach shall take all possible precautions to prevent such persons from threatening, harassing, or assaulting referees, linesmen, players, or other spectators before, during, or after league games.

Parents and/or spectators harassing, threatening, or criticizing players, referees, linesmen, or coaches during or after League games will not be tolerated. Such unsportsman like conduct may be cause for a caution (yellow card) or ejection (red card) to be issued by the referee to the coach on whose sideline this occurs. All ejection's of this nature require review by the A&P Committee.

(See special notation in the Discipline Point System regarding the disposition of points when a coach is ejected for lack of sideline control.)

I. Sidelines: Teams will take opposite sides of the field for their benches. Depending on field orientation, the home team shall take the north or east touchline; the visiting team will take the south or west touch line.

No coach, assistant coach, manager, or substitute player shall remain on the opposing team's side of the field once the game begins. Coaches or managers shall make every effort to keep spectators associated with their team away from the opponent's side of the field. Where it is clearly impractical for teams to take opposite sides of the field, the teams shall remain on opposite sides of the halfway line.

Coaches, parents, and spectators are not allowed to stand behind the goal or end line.

Coaching from the sidelines should be kept to a minimum. It is recognized, however, that a reasonable level of verbal communications from coaches on the sideline to field players is appropriate. A reasonable level of tactical coaching instructions and positive encouragement is acceptable, especially for younger age group teams. Shouting and yelling at individual players or negative admonishments are not allowed.

J. Game Equipment: The game schedule will denote which team is responsible for putting nets up and taking them down, and collecting corner flags. Both teams are expected to assist with this task. The home team will provide the game ball, subject to the referee's approval.

K. Practice Fields: Use of the City Parks to conduct organized soccer practice under League sanctioned conditions is granted to the League by the City. Authorization by the League to a DCSL team to practice on a City Park is conditional, based on all rules and guidelines being followed:

1. Practice Field Assignment: Coaches are responsible for identifying the City Park on which they wish to conduct practice. Authorization to practice on the park and the schedule of practice must be requested from the DCSL Blue Ribbon Sports Committee (BRSC) representative for approval from the City Parks and Recreation officials. Normally, such approval is granted automatically upon request, but occasionally teams are moved to less crowded fields by City Park monitors. Failure to obtain authorization to practice on a City Park is a violation of this provision.
2. Practice Field Usage: A team's use of a City Park is not exclusive and must be shared with other soccer and sports organizations. Practice areas are cooperatively agreed upon between coaches using parks. Any dispute over practice areas which cannot be resolved should be forwarded to the BRSC representative for resolution. A DCSL coach's insistence on use of a park for scrimmage purposes which relocates other sport organizations using the field without their agreement is a violation under this provision.
3. Pre- and Post-Season Practice: Practice on a City Park prior to or after the approved League sanctioned schedule without approval from League officials will constitute a violation under this provision.
4. Scrimmages: Scrimmages, other than those arranged on your practice field, must be approved by League officials. Failure to obtain authorization is a violation under this provision.
5. Team or Coach's Card: All coaches will, upon request by anyone representing themselves as a City Parks and Recreation Monitor, present their USSF passcard for inspection, or otherwise identify themselves. Failure to do so immediately is a violation under this provision.
6. Practicing in GoalMouth: Practicing in the goal mouth area during regular team practices is a violation under this provision.
7. Penalties for Violations: Violations reported to the League require the coach of the team in question to come before the Executive Committee to explain the circumstances surrounding the violation. Where the Executive Committee determines a violation has occurred, the following penalties will be imposed:
 - a. One violation per seasonal year - verbal warning by the Executive Committee followed by a written confirmation of this warning to the team's Club and Coach by the League President. Coach awarded 10 disciplinary points.
 - b. Two violations per seasonal year - suspension of coach for one game. Coach awarded 10 additional disciplinary points.
 - c. Three violations per seasonal year. - *Coach awarded 20 additional disciplinary points.*

L. Substitutions: Teams may substitute players, with the referee's permission, under the following conditions:

1. Prior to throw-in, in your favor.
2. Prior to a goal kick, by either team.
3. After a goal, by either team.
4. After an injury by either team, when a referee stops play, the injured player(s) and a like number from the opposing team.
5. At half time.
6. When the game is stopped by the referee to issue a caution (yellow card), the cautioned player(s) and a like number from the opposing team.

M. Length of Game: The length of the game shall be as follows:

Age Group	Game Length
U-19	Two 45' halves
U-16	Two 40' halves
U-14	Two 35' halves
U-12	Two 30' halves
U-10	Two 25' halves
U-8	Two 25' halves

If teams from two different age divisions are scheduled to play, the older age division's game length will be used.

Ball Size: The ball size used for League and League tournament games shall be as follows:

U-8/10/12	Size 4
U-14/16/19	Size 5

If teams from two different age divisions are scheduled to play, the older age division's ball size will be used.

O. Behavior While Representing DCSL: If, while representing the Duke City Soccer League in any capacity, the behavior of any player, coach, parent, or spectator is determined by a member of the Board of Directors to be detrimental to the League or against the Purposes of the League, then the behavior or actions shall be reviewed by the League Executive Committee. Some examples of such behavior or actions are: substance abuse, minor consumption of alcoholic beverages, drunkenness, acts of vandalism, slanderous or defaming statements, assaults or fighting, use of foul or abusive language, and threats against persons.

If the Executive Committee finds that the behavior of a player, coach, parent, or spectator is detrimental to or against the Purposes of the League, sanctions or penalties against the individual, commensurate with the severity of the behavior or action, shall be imposed. Examples of these sanctions or penalties range from suspension from league and/or tournament game play, restrictions from out-of-district travel, to dismissal from the League or prohibiting participation in League sponsored activities.

P. Equipment: In the event any equipment belonging to the DCSL is lost by any club, team, or individual, the responsible person or organization shall be held financially responsible for the cost to replace that equipment. Responsibility shall be defined as:

1. The current party that has checked out and signed for that piece of equipment.
2. The party that has been designated by the schedule or any committee acting on behalf of the League such as tournament committees.

The entity shall have 30 days from the time of the loss to reimburse or replace the equipment at a cost or quality determined by the League as the current replacement cost. Failure to do so shall make the club, team, or individual ineligible to play in any League sanctioned games until that amount is paid to the League.

Q. Noisemakers: The use of air horns and mechanical noisemakers of any kind are prohibited at all Duke City Soccer League games. Referees will be instructed that the use of the noisemaker during a game will be considered unsportsmanlike conduct. For the first offense, the referee will issue a warning to the coach of the offending team. The second offense will result in a yellow card to the offending team coach. A third offense will result in a red card to the offending team coach and a disciplinary hearing before the League.

SECTION 4

REFEREES

A. Rules of Play: Except as otherwise provided here, the FIFA "Laws of the Game" shall apply to any and all competition sponsored by the League.

The duties of the referee and appointed linesmen are defined in Law V of the "Laws of the Game": "(The referee's) decision on points of fact connected with the play shall be final, so far as the result of the game is concerned."

B. Criticism of the Referee: Criticism of the referee by word or action preceding, during, or immediately following the game by coaches, managers, players, or spectators will not be tolerated. Violations of this rule will be handled in accordance with Section 3, part G, "Disciplinary Actions. "

C. Referee Scheduling: Referees shall not officiate in any scheduled League game if relatives of the referee are participating in that game unless approved by both coaches. The referee must assume the responsibility for informing both coaches prior to the start of the game should this situation arise.

In the event the referee appointed fails to show and where linesmen have been appointed, one of the linesmen shall take charge. Where linesmen have not been appointed and the referee fails to show, the coach or manager of the opposing teams must agree upon a referee for the game. The same procedure will apply in the event of a referee becoming ill during the game.

SECTION 5

PROTESTS AND GRIEVANCES

A. Protests: Protests of judgement calls made by referees will not be allowed. The appropriateness of awarding Discipline Points may be reviewed by the League Coach Administrator. The Coach Administrator should make every attempt to interview the referee(s), offending coach or player, opposing coach, and other pertinent witnesses. The Coach Administrator will make a recommendation to the League President on the amount of discipline points to be awarded based on this review. Offending players or coaches that do not agree with the decision of the League President may file a Grievance as prescribed under Paragraph B. of this Section.

A coach or manager of a duly registered team may protest technical violations of the Laws of the Game. Such complaints should be directed in writing, giving the details of the situation, to the League President.

To protest a game, a team's coach must verbally notify the League President or Vice-President who will then notify the opposing coach and referee. The protest must be filed within three (3) days of the end of the game. A formal protest in writing, stating all known facts, shall be given to the League President or Vice-President together with a filing fee of \$25.00. The written protest must be hand-delivered or postmarked within three (3) days of the verbal notification. Protests submitted after the due date or without the filing fee will be considered void.

The protest will then be turned over to the A&P Committee for investigation. The A & P Committee will make recommendations for consideration by the League Board. If the protest is upheld, the filing fee will be returned.

B. Grievances: A coach or club official may file a grievance against another team or club affiliated with the League if they suspect a violation of League rules.

To file a grievance, the coach or club official shall send a written request presenting all details of the alleged rules violations, plus a \$25.00 filing fee, to the League President or Vice-President no later than two (2) weeks after discovery of the alleged violation. Grievances submitted after the due date or without the filing fee will be considered void.

The matter will then be turned over to the A&P Committee for investigation. The A&P Committee will make recommendations for consideration by the League Board. If the grievance is upheld, the filing fee will be returned.

C. Appeals: The line of appeal for protests denied by the League shall be to the League District Commissioner, NMYSA, and USYSA.

SECTION E

DUKE CITY SOCCER LEAGUE

DISCIPLINE POINT SYSTEM

The Discipline Point System was instituted to control unsportsmanlike behavior and violent conduct on the playing field. The revisions incorporated here were approved by the Duke City Soccer League Board of Directors in the Fall, 1993. The following point system will apply to an sanctioned play during the seasonal year, including tournament games.

TABLE B

DISCIPLINARY ACTIONS

Ejection (red card) of player	10
Ejection of player for violent conduct	15
Ejection of player for fighting	15

Coach:

Failure to notify the Referee Scheduler when a game is rescheduled.	10 (each team)
Caution (yellow card) of a Coach.	10
Failure to show (forfeit) when advance notice is given to the League President.	15
Ejection (red card) of Coach.	20
Failure to show (forfeit) without giving advance notice to League President.	30

GUIDELINES:

A. PLAYER: All Age Groups: Accumulation of 40 or more points during either the spring or fall season leads to disqualification for the remainder of that season; or accumulation of 60 or more points during both the spring or fall season leads to disqualification for the remainder of the seasonal year. Player should be counseled by the DCSL President or Coach Administrator when he/she is within 10 points of these marks.

B. COACH:

1. Coach: Accumulation of 40 or more points during either the Spring & Fall season leads to disqualification from coaching a DCSL team for the remainder of that season; or accumulation of 60 or more points during both the Spring and Fall seasons leads to disqualification from coaching a DCSL team for the remainder of the seasonal year. The Coach should be counseled by the DCSL President or Coach Administrator when he/ she is within 10 points of these marks.

2. Control of Sidelines: When a coach is ejected for failure to control his/her sidelines (see General Rules, Section 3H), he/she is subject to automatic review by the A&P Committee. The A&P Committee may recommend that the 20 discipline points be removed from the coach (however, these points remain with the team) and that the coach not be required to serve any game suspensions. The basis for this action will be the referee's judgement that the coach used a reasonable means to control his sidelines.

3. DCSL Coaches under Suspension: A coach who is suspended from coaching may not act as a coach, assistant coach, or manager for any League team during his/her period of suspension.

4. Poaching: Offending coach will be suspended for a period ranging from a minimum of one game to a maximum of one calendar year based upon the recommendation by the A&P Committee, and approved by a majority vote of the Board of Directors.

C. GENERAL:

1. A player or coach who receives both a yellow and a red card in a single game will receive only the ejection points.

2. Players, coaches and teams shall accumulate discipline points for both the fall and spring seasons. At the end the spring season discipline point totals will be set to zero. In the event that a player transfers to another team during the fall or spring season, the player will retain all discipline points he/she has accumulated to that time. The team that the transferring player is leaving shall also retain the team discipline points accumulated by the transferring player, up to the time of transfer.

3. Team Points. The accumulation of team points, i.e., those due to individual players, coaches, and the team, should not lead to disqualification of the entire team. Individual players and coaches should be disqualified based on the individual's accumulation of Discipline Points, and not those accumulated by their teammates.

The following penalties will be levied against the Team Head Coach for failure to maintain control within the team, based upon the total number of Discipline Points accumulated by players and coaches on the team each Fall or Spring season.

TABLE C

PENALTIES FOR ACCUMULATED
TEAM DISCIPLINE POINTS

<u>Total Discipline Points</u>	<u>Penalty</u>
40	Counseling by Coach Administrator and/or League President
60	One Game Suspension from League or Tournament Play
100	Three Game Suspension from League or Tournament Play
120	Suspension for Remainder of fall or Spring Season

Should a team accumulate 100 Discipline Points within the Fall or Spring season, or 150 Discipline Points during both the Fall and Spring seasons, the League Executive Board shall review the team's performance and may issue sanctions that will restrict the team from travel out-of-district and participation in NMYSA sanctioned tournaments.
