SOCCER LEAGUE

Issue #2007 - 1 / Spring 2007

SPRING 2007

As we move past the winter of 2006-2007 and look towards the ability to once again practice outside. We have arrived in March and the first week of spring play. This spring season brings another growth to Duke City and the Metro Schedule. We are now up to 158 games on Saturdays, covering 36 fields. Due to this increase we have ran out of grass at Farmers Insurance Complex and have opened up play at Balloon Fiesta Park (BFP). We will be sharing that park with others so please review the enclosed map or the map on the web site to locate us.

This new venue helps us with the shortage of fields. In the fall we tried to implement a few ideas to help with the shortage of referees. In the past each team provided us with the name of their team referee when applying to play in the Metro Schedule and agree to have them work 4 games each season. This did not always happen. So now with the U-10 and younger teams, this team referee will referee their own home games. For the older teams U-11 and above, your team will start with negative 4 points assessed against your ranking points. For every game that your team referee is assigned and works, as either as a center referee or as an assistant referee your team will receive one of these points back. This can be monitored with weekly updates to our web site www.dukecity.org. To be assigned to a game your referee must contact our referee scheduler Paul Quan. He can be reached at NMSoccerRef@aol.com or 821-5930.

In closing, I ask again that each team have someone assigned to review the web site for announcements and updates to the schedule. I will try to post the scores and referee points by Sunday morning and normally have any changes to the next weeks games posted by Wednesday.

The only acceptable reason to reschedule a scheduled game is due to a team going to a Soccer Tournament or Friendly. Outside of that if a game is not played the team(s) unable to play will receive discipline points (15 if we are informed, 30 if we are not informed). Remember you must email DCSL staff at operations@dukecity.org at least two weeks prior to missing a scheduled game

The only acceptable reason to reschedule a scheduled game is due to a team going to a Soccer Tournament or Friendly. Outside of that if a game is not played the team(s) unable to play will receive a forfeit and discipline points (15 if we are informed, 30 if we are not informed)
Remember you must email DCSL staff at operations@dukecity.org at least two weeks prior to missing a scheduled game

The Schedule

Games will be taking place at three different venues, the Farmers Insurance Soccer Complex in Bernalillo, at ADO at the corner of Spain and Wyoming and for six teams “Sombra” (we will get those teams directions). In reading the schedule, when you see: H = 1205. That means that 1205 will be the home team for that game. Change and corrections may need to be made to the schedule and these updates will be placed on our web site www.dukecity.org. Please check the web site for these updates. If you see a difference in your newsletter schedule and the one on the web – follow the one on the web, as it is the most current. In addition to updates and changes we will try to have scores updated by each Monday morning.

Relegation Matches are played on the first week of the season between the lower two seeds of a bracket against the upper two seeds of the next bracket. These games have been marked with either “*” or “**”, The lower seed has to win to move up.

Lightning Policy & Procedures

For use at the Farmers Insurance Soccer Complex in Bernalillo

Referees will have control of the match with the ability to stop or delay the match due to weather problems. One the “All Stop / Clear the Field” signal is sounded by the complex this policy and procedures take over. Field Marshals, Coaches, Referees, Parents and or players cannot over ride the complex decision to clear the field.

Procedures

Complex will sound an “All Stop / Clear the Field” signal when the complex is being shut down and cleared for lightning. (This will be a long sounding siren)

Once shut down every 5 minutes the complex will resound the “All Stop / Clear the Field” siren until the lightning danger has passed.

Once the danger has passed the complex will sound the “All-Clear” signal. (Double tones)

Once the all-clear signal is given matches will be given a 10-minute maximum warm up time frame (the 10 minutes start at the sounding of the resume play signal). Control of the match then goes back to the referee.

Matches will **end / be terminated** at 10 minutes prior to the next scheduled game time on that field. If the match is still in the first half the match will have to be rescheduled. If the match is in the second half the score of the match will count as a completed match.

The field marshals may advise the DCSL staff of special circumstances that have arise due to the lightning delay and they (DCSL) have the ability to make exceptions to this policy.

The only acceptable reason to reschedule a scheduled game is due to a team going to a Soccer Tournament or Friendly. Outside of that if a game is not played the team(s) unable to play will receive a forfeit and discipline points (15 if we are informed, 30 if we are not informed)
Remember you must email DCSL staff at operations@dukecity.org at least two weeks prior to missing a scheduled game

FIELD MAP FOR BALLOON FIESTA PARK

SOME DC SL RULES OF PLAY

Rules of Play – Except as otherwise provided, the FIFA “Laws of the Game” shall apply to any and all competition sponsored by Duke City Soccer League.

Player / Coach Pass Cards – Only those players and coaches that possess a current laminated USYSA or AYSO player / coach pass card may participate in a scheduled League game. Only these players and coaches will be allowed in the designated team area. This area may or may not be marked but will extend twenty (20) yards on each side of the halfway line. No game will start until the referee has seen the minimum number of players from each team, each with a validated player pass card. Teams will have 15 minutes past the stated schedule time to produce player and coaches pass cards or the game shall be forfeited.

Sidelines – Teams will occupy the same side of the field with the parents and other spectators on the opposite side of the field. Coaches may choose the side of the field for their teams to occupy. If the coaches cannot agree then teams will occupy the east or north sidelines for games starting prior to noon and on the west or south sidelines for games starting after noon. *Exception: On fields with bleachers the team sidelines will be opposite to the bleachers. On fields 7 & 8 parents and spectators will be allowed behind the benches behind the markings. At ADO small fields - the team benches will be between the two fields.* Depending on the field orientation, the home team shall take the north or east side of the halfway line, the visiting team will take the south or west of the halfway line. No one is allowed to stand behind the goal or end line during the game.

Coaching From the Sidelines – Coaching from the designated team area is allowed but should be kept to a minimum. It is recognized that a reasonable level of verbal communications from coaches on the sideline to players is appropriate. A reasonable level of tactical coaching instructions and positive encouragement is acceptable, especially for younger age group teams. Shouting and yelling at individual players or negative admonishments is not allowed.

Mercy Rule - For U-11 teams and above, after the completion of the first half of play. If there becomes a goal differential of 8 goals the match /game will be halted. The winning team at that time will be declared the winner of the completed match / game.

Minimum Number of Players – A team must field at least seven (7) players to begin a game. *Exceptions:* For U-9's and U-10's, five (5) players are required to start. For U-11's and U-12's, six (6) players are required to start.

Conflict of Uniform Colors – The home team shall be responsible for changing jerseys should there be a conflict in uniform colors.

Length of Games – If the game is being played between teams of different ages, we will use the length approved for the older age team (they should also play with the approved ball size from the older age team). The length of the game shall be as follows:

Ages	Number of Players	Game Length	Ball Size
U - 17, 18 & 19	11 v 11	Two 45' halves	5
U - 15 & 16	11 v 11	Two 40' halves	5
U - 13 & 14	11 v 11	Two 35' halves	5
U - 11 & 12	8 v 8	Two 30' halves	4
U - 9 & 10	6 v 6	Two 25' halves	4
U - 7 & 8	4 v 4	4 – 12' quarters	3

Substitutions – Teams may substitute an unlimited number of players with the referee’s permission, at the following times:

- 1) Prior to a throw in, in your favor,
- 2) Prior to any goal kick, by either team,
- 3) After a goal, by either team,
- 4) At half time, by either team,
- 5) After an injury, when the referee stops play, the injured player(s) and a like number from the opposing team. Note: this is a Duke City Rule and not part of the Laws of the Game.
- 6) When the game is stopped by the referee to issue a player(s) a caution (yellow card) the cautioned player(s) may be substituted. If they are substituted a like number from the opposing team may also be substituted.

After questioning an injured player, the referee then authorizes a team official (coach, assistant coach or trainer etc.) to come on to the field of play to ascertain the type of injury and to arrange the player’s safe and swift removal from the field. The referee must ensure that the injured player is safely removed from the field of play, prior to the restart of play. The injured player may only return to the field of play after the game has restarted. The referee alone is authorized to allow an injured player to re-enter the field whether the ball is in play or not. *Exception:* The goalkeeper may be tended to on the field and remain in the game.

Rescheduling of Games

If your team is traveling to a Soccer Tournament or playing in a Friendly and can not make your schedule game. You must inform the Duke City League Staff prior to two weeks before the scheduled game. If proper notice is not given a “Forfeit” will be declared. If it is a bracket game the DCSL staff will then schedule your makeup game. If it is a non-bracket game you are on your own to reschedule the game. Please contact the league by email at operations@dukecity.org.

REMEMBER: The only acceptable reason to reschedule a game is due to one of the scheduled teams traveling to a Soccer Tournament or playing in a Friendly.
